Bottoms Up!

Last night my horny boyfriend Mark gave my bum a good fucking. We were at home watching TV when without saying a word Mark put a porno on instead. I started stroking his cock while we watched the hardcore action. The girl on the screen was getting her gaping arse butchered by a bloke with a massive cock. Mark turned to me and told me he wanted some back door action.

I unzipped Mark's trousers and got his hard cock out. I leaned over and started sucking him off. He wrapped his fist in my hair and started yanking my head forcefully back and forth over his cock while he thrust it deep down my throat. As he fucked my mouth Mark yanked my trousers and knickers down round my knees so my pussy and arse were exposed. He roughly forced three fingers straight into my snatch.

I squirmed as he rammed them in and out. Then he pulled his juicy fingers out and inserted one into my waiting anus. He eased it in and followed it with a second. He reamed my back passage with two fingers for a while, loosening me up for his big cock. Then he unfastened my lips

from around his shaft and got me on all fours in the middle of the floor. I shook my trousers off while he grabbed a bottle of lubricant. He came back and positioned himself behind me. He slipped his swollen cock inside my wet cunt and started pumping away with long and slow, hard and heavy strokes. While he screwed my pussy he liberally basted my arsehole with lubricant and started fingering me. He squeezed three fingers up my tightest entrance and gradually readied me for a good butt fucking. Finally he pulled his cock out of my cunt. I waited, buttocks quivering and pulse racing, as he smothered his cock in greasy lube. Finally, mercifully, I felt his bulbous, bell-end ferreting against my willing arse. With a glorious shove he was in and sliding up my back passage. Once he was in up to his nuts, which felt amazing, I braced myself because I knew what was coming. Mark likes to fuck my arse hard and fast until he cums. I stretched out to get a cushion and put it under my head. Then as Mark took a

firm grip of my hips I braced myself with one arm and started frigging my clit with the other hand.

The expected anal onslaught arrived, Mark fucking my arse as fast and as hard as he could. I frigged my clit just as fast and as always my orgasms flowed one after another. After a few minutes of frantic fucking Mark buried his cock deep inside my arse and blew his load. I squeezed my arse cheeks together and milked his cock, wanting every last drop of his jizz up me. Then we had a shower together and went to sleep. But because I am a good girl, I gave Mark's morning stiffy a good suck first thing this morning. My idea of a nutritious breakfast! Sally, Newark

"I'm fed up with guys who think that my little titties define me! Since when do small breasts make a difference when it comes to fucking? I've got the tightest pussy that you could ever wish for, I can squeeze all of the cum out of your cock and then go again for round two! Are you still looking at my tits or are you thinking about me straddled on top of your hard cock? I'll rock your world!"

REAL WIFE SEX

Phoebe's whole world just got rocked!

I am a female journalist working for a very well known daily paper. I've got a story that my editor certainly wouldn't print, so I've decided to send it to you. Last Friday, I was sent to interview an American rock band who are currently over here recording their new album (sorry, no names or I'll be out of a job!). I'd arranged to meet them at a London hotel, but only the singer and guitarist could be bothered to show up. They are known for their 'rockstar behaviour', and I guess they'd had a pretty wild night the night before. I didn't like them or their music, but the singer (who I'll call Matt, as it's not a million miles away!) was very

charming and polite to me, even if the guitarist seemed half asleep. I asked all the usual crap about their plans, fans and misdemeanours while the singer flirted with me over a few bourbon and cokes. By the time I'd got enough info, I was a bit pissed and it wasn't even lunchtime yet, so I accepted an invitation to Matt's suite in order to hear an exclusive couple of mixes of their new songs. When we arrived, the guitarist collapsed in a heap on the armchair while Matt lined up

"What the fuck is this tights shit?"

He moaned, desperately trying to get a hand inside the restrictive waistband of my nylons, but failing miserably.

"Rip them off, then!" I heard myself reply, as I wriggled my skirt down my thighs and over my boots before spreading my legs over the edge of the bed.

He sat up and grabbed a handful of the black nylon material covering my pussy and pulled, lifting my arse off the mattress.

With a loud ripping noise, the crotch of my tights gave way under the pressure and a gaping hole appeared around my shaven haven. Of course I wasn't wearing any knickers underneath my tights – VPL, and all that... For an instant Matt just gawped at my pussy. I must say the excitement I felt at his display of animal lust made me want to fuck the creep more than ever before.

"You bastard," I scolded pathetically as I opened my thighs wider, feeling the sticky lips of my twat part before his eyes. Matt slipped his hands beneath the torn nylon and lowered his head towards my cunt. His greasy hair brushed my skin and I flinched as he licked along the crack of my slit, working the tip between the folds until it nestled against my clit.

He may have been a scruffy git, but he definitely knew how to go down on a girl!

Sucking my pussy, he then began to flick my swollen nub from side to side and up and down with his tongue like a real pro.

His hands encircled my arse and I moaned with pleasure as his fingers strayed between my cheeks and rested on the taut entrance to my butt.

This was ridiculous! He'd only been licking me for a couple of minutes but as he gently wriggled a finger into my arse, too, I came like a fucking volcano, bucking against his mouth as wave after wave of pleasure coursed through my snatch, then throughout my entire body. I needed cock inside me urgently, so I pushed Matt off me onto his back, straddled his chest in a 69 position, yanked open his leather trousers and stuffed his semierect prick straight in my mouth. It swelled to its full potential instantly as I sucked it hard towards the back of my throat, all the while squirming my naked wet gash against Matt's chest.

He was pretty big, and as I slurped his knob in and out, gripping his

balls in one hand, I could feel him pulling at my tights again. The material ripped easily under the attentions of his dirty, long nails; he tore hole after hole up and down my legs as I licked and sucked away for all I was worth.

His tongue suddenly darted into my anus, straining to push deeper against the taut little muscle. I swallowed his meat till my lips brushed his balls, feeling his swollen helmet push deep into the soft flesh at the back of my throat. Keeping his entire rod in my mouth, I sucked and licked as much as I could until his prick was utterly inflexible.

I felt him tense a second before the first jet of sperm splattered against the back of my throat, and only by gulping frantically could I avoid his spunk squirting from my mouth all over his crotch. Matt grunted like the uncouth beast he was, his tongue still wedged in my arse as his dick slumped from my mouth, leaving me with a gob full of cum and another climax on the way.

After recovering my composure, we had another drink and I removed my torn tights, which Matt bizarrely wanted to keep as a trophy. It was fine by me, even though I gave the guest passes he gave me for his next gig to a friend. Hey, just because I enjoyed the taste of his cock it doesn't mean I have to share his taste in music!

Pearl Necklace!

My husband is a keen amateur photographer who likes to take pictures of me. Sometimes our sessions get out of hand and he ends up shagging me senseless. I have also posed for quite a few other amateur photographers, though these have never developed beyond the camera. This was set to change.

A friend of my husband, Sam, needed a model at short notice. My husband asked me if I would do it and I said yes. I travelled down to London for the shoot, meeting Sam at his studio. He was tall, muscular and dark-haired – a real hunk you could say! He showed me around his studio and busied himself setting things up for the shoot.

We got on really well. I slipped into the dress I was to wear (no bra or panties!) and got in front of the camera. Sam started slowly, getting me used to his style and making sure I felt at ease and relaxed.

I was getting horny being directed by this hunk. He eventually asked me to push the top of my dress down to my bikini line (which I hardly have!).

He constantly complimented

me on my body which made me still hornier and wetter. I had never been attracted this way in front of the camera before. We had a short break for a change of film, during which Sam uncorked a bottle of chilled wine. Another bottle down the line, we continued the shoot.

He asked me if we could do some magazine shots and I readily agreed, pussy soaking. I then ran through a familiar routine of poses which usually ended in my hubby dicking me.

It seemed to have a similar effect on Sam, judging by the bulge in his trousers. Telling me what a fantastic body I had, he began to kiss me. I let him continue, the situation and the wine making me long for his cock.

I was virtually naked, and Sam spread my legs on the couch and began invading my pussy with his tongue. Suddenly the doorbell went. Sam cursed, apologised, wiped the juice from his face and went to answer the door. I was dejected at the thought of passing up a good fuck. I needn't have been.

Into the room came not one Sam, but two. He introduced his identical twin Martin. He told Martin the formal shoot

CONTACT ME

was over, but he and I were attending to another matter. He asked if I minded Martin's presence. "How could I refuse?" I replied, anticipating my first ever double fuck.

After a few brief words and kisses, the brothers moved into action. I was rolled onto my front, face down, arms and legs outstretched. I was left for a few seconds while they undressed. Next, Martin was in front of me and raised me to my hands and knees. I saw his prick which he about to feed me. It was a large purple headed beast, just the same length and girth as my husband's.

I busied myself on the head, shaft and bollocks while Sam was behind me, parting my pussy lips. He trickled saliva onto my arsehole and cunt. Then he started to lick and tongue my pussy, at the same time gently teasing my

arsehole with his wet fingers. My aching pussy needed a big hard swollen cock up it. Martin got behind me and forced his rampant cock into my dripping wet hole.

Sam then knelt in front and I took his cock in my mouth. I nibbled around the helmet, making him groan with pleasure. While Martin was fucking me from behind he had been dropping his spit into my virgin arsehole and massaging it in with his thumb.

He then took his cock out of my pussy and teased the head into my aching arse. The joint pleasure and pain was indescribable.

I raised up slightly, allowing Sam to slide underneath me. He fed his cock into my cunt while Martin's cock drove further into my arsehole. They then both set a gentle rhythm and fucked me through another pair of orgasms. I knew they wouldn't be able to keep it up for long without spunking.

I was right. In unison they withdrew their juice-smeared cocks and raised me onto my knees, one either side of me.

They both wanked and spunked all over my face, in my mouth and over my tits. I swallowed as much as I could, loving it.

It's a shame my husband couldn't join in! Next time? Becky, Lancs

We spent ages getting the bedroom set ready for Billie, heck, we even put up some new wallpaper in the studio too, but this girl just couldn't wait and we ended up doing her photo shoot in the makeup room! "Your studio was too cold and I was up for it so I just went with the flow and your photographer was more than happy to start clicking away with his camera in the staging area."

What goes on in the Escort store room stays in the store room, unless of course it's a naughty photo shoot that we can share with our readers, and Colette was more than up for a bit of fun! "I've been on all sorts of exotic photo shoots but sometimes it's fun to just be a bit spontaneous. Shooting in your store room with all of the magazines and filing accounts wasn't what I was expecting, but then again I didn't really know how the day was going to go. I suppose all of your readers just want to see some pussy and arse, and they don't really care what's going on in the background!" No, they really don't!

to a climax, and in between breaths was coming a tirade of filth, telling them to fuck me harder and faster. They took me out of the car and I knelt between them both. I took their cocks in my hands and wanked and licked them. Colin put his dick back up my cunt from the front while Pete pulled my bum cheeks

Randy Reader!

My new boyfriend Ray recently asked me to tell him about my past sexual experiences. I did, but there is one experience I've not told him about.

I agreed to tell him through you – he is an avid reader. I got him to take some photos to go with the story, which should be a big surprise to him, I hope.

One night last year I was on my way home from the pub when my car broke down and left me stranded by the side of a country lane in the middle of nowhere.

A car pulled up behind me and two guys got out and asked me what the problem was. I recognised both the guys from the pub.

They realised I'd run out of petrol. The driver, Colin, said he'd go and get me some from the garage.

The garage was about five miles away and his mate Pete was to stay and make sure I was OK.

Pete and I got back into my

car to wait and it was then that I started to act completely out of character. My skirt had ridden up and my thighs and stocking tops were on display. Instead of pulling down my skirt, I slowly parted my legs so he could see better.

He stared at my pussy, which was now visible through the tiny G-string panties I had on. I reached over, put my hand on his dick and gave it a squeeze. The result was quite spectacular. Within a few minutes my blouse and bra were off and he was frantically sucking on my erect nipples.

He was rubbing my pussy and pushing his fingers into my already wet cunt. We scrambled into the back and started fucking each other like it was going out of fashion.

I was so away I hardly noticed when Colin pulled up.

When he got to my car he saw me, naked apart from my stockings and

suspenders, straddled over Pete and bouncing up and down on his shaft like a yo-yo.

I wound down the window and he unzipped his fly and took out the biggest cock I had ever seen. It was about nine inches long and too thick for me to get my hand round.

I leaned out of the window and started to suck his monster dick while Pete banged away at me from behind.

I opened the door and told Colin to fuck me. Even though I was very wet, it was a tight squeeze as he edged his huge dick up my cunt. As he stretched me wide open, Pete was holding my head and giving my mouth a good fucking. It felt great to be fucked at both ends. The harder Colin fucked me the more difficult it was to keep Pete's cock in my mouth.

I kept my mouth open as wide as I could and took his thrusts deep in my throat. I could feel myself building

apart and started to push his dick up my arse. I had never felt anything like this before. My cunt was so full and now my bum hole was being stretched as much by another dick. I was on the verge of a huge orgasm and this time I was going to have it as they took turns to thrust hard up my holes, moaning and groaning as much as me.

Colin pulled out of me and sat in the car. I leaned over to suck and wank him as hard as I could while Pete continued to fuck me up the arse.

I started to cum and as I did a huge load of spunk streamed into my mouth from Colin's cock. I sucked harder as the waves of my orgasm hit me.

Colin rubbed my clit, causing me to cum even harder. With a grunt, Pete plunged deep into my arse and emptied his load inside me.
